

THE BEACON

Love Where You Live Edition |

Happy February, the month of love, friendship, and hopefully falling head-over-heels for where you live.

At The Beacon, we're committed to making your living experience feel like a perfect match—because you deserve a home that loves you back.

CLEAN SPACES, HAPPY FACES!

We know cleanliness is a love language, so we've been stepping up our game to keep The Beacon sparkling:

- Elevators – Regular deep cleaning to keep high-traffic areas fresh.
- Garbage Room – Odor control treatments and steam cleans to ensure Cupid's arrows—not bad smells—greet you at the door.
- Back Door & Hallways – Increased cleaning to tackle winter slush and muddy footprints.

AMAZON ACCESS KEY

We know the struggle: your long-awaited package arrives, but you're not home, and suddenly it's on an adventure of its own.

Good news! Amazon Key is coming soon! This means delivery drivers can securely access the building and deliver right to your unit door—no more missed deliveries, no more lobby scavenger hunts.

CREATOR'S CORNER – SUPPORT LOCAL (LIKE, REALLY LOCAL)

The most meaningful gifts don't come from big box stores—they come from right here in the building!

Creator's Corner is officially open in the site office, featuring handmade treasures crafted by your talented neighbors. Need a last-minute Valentine's gift? Skip the generic chocolates and find something truly special!

Shopping local is great—shopping hyper-local is even better.
